

General Synod Pension Plan-Temporary Solvency Funding Relief Update

December 16, 2016

I am very pleased to announce that today there has been a Regulation filed and passed into law which grants the General Synod Pension Plan temporary relief from funding any solvency deficiencies until after the results of an actuarial valuation to be conducted as at December 31, 2017. This is the result we have been working toward and hoping for.

I would like to thank all the Plan members who returned their voter cards or voted online. Thank you for your patience in waiting for this process to run its course. We will be mailing a letter to you with more details, in January 2017, and as always, if you have any questions, please contact our office.
