

## **General Synod Pension Plan-Temporary Solvency Funding Relief Update**

**April 23, 2018**

I am very pleased to announce that on April 18, 2018, a Regulation was passed into law which grants the General Synod Pension Plan temporary relief from funding any solvency deficiencies until after the results of an actuarial valuation to be conducted as at December 31, 2020. This is the result we have been working toward and hoping for.

I would like to thank all the Plan members who returned their voter cards or voted online. Thank you for your patience in waiting for this process to run its course. We will be mailing the newsletter to you with more details, in June 2018, and as always, if you have any questions, please contact our office.
